## **Important Notice Regarding Losses From Certified Acts of Terrorism**

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States.

No act shall be certified as an "certified act of terrorism" by the Secretary of the Treasury unless the act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, "we" shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

## **Important Notice Regarding Flood Coverage**

Flood damage is not covered under your policy. You may also need to consider the purchase of flood insurance. Without separate flood insurance coverage, you may have uncovered losses caused by a flood. Please discuss the need to purchase separate flood insurance coverage with your insurance agent, or visit [www.floodsmart.gov](http://www.floodsmart.gov).

## **Important Notice Regarding Your Dwelling Coverage Limit**

Steadily strives to adequately insure your property so that you are fully indemnified in the event of a loss. Steadily utilizes replacement cost valuation tools to estimate the value of your property. However, replacement cost valuation tools are tools only and should not be the sole consideration in determining your dwelling coverage limit. It is your responsibility to determine the adequate dwelling coverage limit for your property.

It is important to note that the market value of your property is different from the actual cash value or replacement cost. Replacement cost is calculated by estimating the cost to replace damaged property with materials of like kind and quality. Actual cash value is estimated by determining the replacement cost and subtracting depreciation for the damaged property at the time of loss. Replacement cost and actual cash value can vary significantly from market value.

You may need to consider an appraisal to determine the adequate dwelling coverage limit for your property.

Steadily automatically increases your dwelling coverage limit at each renewal to keep up with rising buildings costs and inflation. If you believe your dwelling coverage limit is too low or too high, please contact us.

## **Notice Regarding Third-Party Inspection**

Please be advised that you may be contacted by an insurance inspector who will conduct an inspection of your home. Steadily works with third-party inspection companies to verify that your property meets our underwriting standards. Inspections are typically conducted on the exterior of your property only. Inspectors will introduce themselves when they arrive and will be wearing attire to identify themselves. Failure to allow the inspector access to all or a portion of your property may result in cancellation of your policy. If you have any questions about your inspection, please contact your insurance agent.

Earthquake damage is not covered under your policy. You may also need to consider the purchase of earthquake insurance. Without separate earthquake insurance coverage, you may have uncovered losses caused by an earthquake. Please discuss the need to purchase separate earthquake insurance coverage with your insurance agent.

### AGREEMENT

This policy, subject to all of its "terms", provides the described insurance coverages. In return "you" must pay the required premium. Each of the Principal Coverages described in this policy applies only if a "limit" is shown on the "declarations" for that coverage.

2) If not otherwise covered by this policy, "we" also cover tools and equipment used to service the "described location" while such tools and equipment are on the "described location". This includes "motorized vehicles" used to service the "described location", but only if such "motorized vehicles":

- b) are not required by law or governmental regulation to be registered for use on public roads or property.

b. **Property Not Covered** -- "We" do not cover:

- 1) land, including the land on which covered property is located;
- 2) underground water or surface water;
- 3) except as provided under the incidental coverages, trees, plants, shrubs, or lawns; or
- 4) grave markers or mausoleums.

c. The "limit" that applies to Coverage A is the most "we" pay per occurrence for all property covered under Coverage A.

## 2. Coverage B -- Private Structures

a. **Covered Property** -- "We" cover private structures on the "described location" that are not attached to a dwelling. This includes additions attached to such private structures and built-in components and fixtures of such private structures. "We" also cover:

- 1) fences;
- 2) driveways;
- 3) sidewalks; and
- 4) other permanently installed outdoor fixtures;

on the "described location".

b. **Property Not Covered** -- "We" do not cover:

- 1) land, including the land on which covered property is located;

However, this item 2.b.5)c) does not apply to a structure used by "you", or a tenant of a dwelling that is on the "described location" and covered under Coverage A, to store commercial, manufacturing, or farming property owned solely by "you" or such tenant, but only if such property does not consist of or contain gaseous or liquid fuel, other than fuel contained in:

- (1) a permanently installed fuel tank of a vehicle or craft parked or stored in the structure; or

However, this item 3.b.15) does not apply to canoes and rowboats that are on the "described location".

- c. Subject to the limitation described in 3.a.2) above, the "limit" that applies to Coverage C is the most "we" pay per occurrence for all property covered under Coverage C.

- a. "We" pay for the necessary and reasonable increase in living costs "you" incur to maintain the normal standard of living of "your" household if that part of the "described location" occupied by "your" household is made unfit for its normal use by an insured loss.

"We" pay:

- 1) only for the period of time reasonably required to repair or replace the damage to that part of the "described location" occupied by "your" household; or
- 2) if "your" household is permanently relocated, only for the period of time reasonably required for relocation.

This period of time is not limited by the policy period.

- b. "We" pay for the fair rental value of that part of the "described location" rented or held for rental to others by "you" if it is made unfit for its normal use by an insured loss.

However, "we" will deduct from the fair rental value any charges or expenses that do not continue while the part of the "described location" rented or held for rental to others is unfit for use.

- d. "We" do not pay for loss, cost, or expense due to the termination of a lease or an agreement.
- e. The "limit" that applies to Coverage D is the most "we" pay for all of the coverages described in items 4.a., 4.b., and 4.c. above.

"We" also pay for the reasonable expense incurred by "you" to remove volcanic ash, dust, or particulate matter that causes direct physical loss to a covered building or covered property contained in a building.

"We" will not pay more for direct physical loss to property and debris removal combined than the "limit" that applies to the damaged property. However, if the covered loss plus the cost of debris removal is more than the applicable "limit", "we" will pay up to an extra 5% of the applicable "limit" to cover the cost of debris removal.

This incidental coverage does not include any cost or expense to test for, monitor, clean up, remove, contain, treat, detoxify, neutralize, or in any way respond to or assess the effects of any "pollutant".

- c. The coverage described in 1.b. above applies only to a fallen tree that:
- 1) causes damage to a covered structure;
  - 2) prevents a "motorized vehicle" that is registered for use on public roads or property from using a driveway on the "described location"; or

- 1) protect covered property from further damage by a peril insured against; or
  - 2) prevent unwanted entry into a building on the "described location".
- b. If the measures described in 4.a. above involve repair to other damaged property, "we" pay only if the property that is repaired is covered by this policy and only if the damage that necessitates the repair is caused by a peril insured against.

## WHAT MUST BE DONE IN CASE OF LOSS

---

The following duties apply when there is loss to covered property. These duties must be performed by "you" or "your" representative.

"We" are not obligated to provide the coverages described in this policy if these duties are not performed and such failure to perform is prejudicial to "us".

1. **Notice** -- Prompt notice must be given to "us" or "our" agent.

Notice must be given to the police when the loss involves a crime.

2. **Protect Property** -- All reasonable measures must be taken to protect covered property at and after a covered loss to avoid further loss.

If the property must be repaired, "you" must:

- a. make reasonable and necessary repairs to protect the property; and
- b. keep an accurate record of the costs of such repairs.

3. **Cooperation** -- "You" and any person representing "you" must cooperate with "us" in investigating and settling the claim.

4. **Inventory Of Damaged Personal Property** -- "We" must be given an inventory of damaged or stolen personal property involved in a loss that shows, in detail, the:

- a. quantity;
- b. description;
- c. actual cash value; and
- d. amount of loss.

All bills, receipts, and related documents that confirm the figures stated in the inventory must be attached.

5. **Preserve And Show Damaged Property** -- To the degree reasonably possible, damaged property must be preserved and retained on the "described location" for "our" inspection, testing, and analysis.

As often as "we" reasonably request, "we" must be:

- a. shown the damaged property; and
- b. allowed to take samples of damaged property for inspection, testing, and analysis.

6. **Records And Documents** -- As often as "we" reasonably request, "we" must be:

- a. given requested records and documents, including but not limited to tax returns and bank records of all canceled checks that relate to the value, loss, and costs; and
- b. permitted to make copies of such records and documents.

**7. Examination Under Oath**

- a. As often as "we" reasonably request, "you" and all other insureds must:

- 1) submit to examination under oath in matters that relate to the loss or claim and allow such examination to be recorded; and
- 2) sign the statement made under oath.

If more than one person is examined, "we" have the right to examine and receive statements separately from each person and not in the presence of any other insured.

- b. As often as "we" reasonably request, all:

- 1) representatives of "yours"; and
- 2) representatives of any other insured;

must submit to examination under oath in matters that relate to the loss or claim, allow such examination to be recorded, and sign the statement made under oath.

If more than one person is examined, "we" have the right to examine and receive statements separately from each person and not in the presence of "you", any other insured, or any other person to be examined.

All examinations under oath described in 7.a and 7.b above must take place in the county in which the "described location" is located unless "we" agree otherwise.

- 8. **Proof Of Loss** -- "We" must be given a signed, sworn proof of loss, within 60 days after "our" request, that, to the best of "your" knowledge and belief:

- a. states:

- 1) the date, time, place, cause, and details of the loss; and
- 2) "your" interest and the interests of all others, including all mortgages and liens, in the property involved in the loss;

- b. identifies:

- 1) other insurance, or any service agreement, that may cover the loss. For the purpose of this item 8.b.1), a service agreement means a home warranty, a service or maintenance plan or agreement, or any other warranty, plan, or agreement that provides for the repair or replacement of property; and
- 2) any changes in title or use of the property since the policy was first issued; and

- c. provides:

- 1) available plans and specifications of damaged buildings;
- 2) detailed estimates for repair;
- 3) the inventory of damaged personal property described in 4. above; and
- 4) receipts for additional living costs incurred and records supporting the fair rental value loss.

---

**HOW MUCH WE PAY FOR LOSS**

---

- 1. **Our Limit** -- "We" pay no more than:

- a. the "limit" that applies; or
- b. the amount determined under Loss Settlement Terms;

whichever is less, regardless of the number of persons or organizations with an interest in the property.

However, no person or organization will be paid an amount that exceeds that person's or organization's interest in the property at the time of loss.

**2. Deductible**

a. A deductible applies to all principal coverages and all incidental coverages other than:

- 1) Fire Department Service Charge; and
- 2) the coverage for towing cost provided under the Incidental Coverage for Emergency Removal.

The deductible applies to all perils insured against unless otherwise stated.

The deductible that applies is shown on the "declarations".

b. Subject to the "limits" that apply, "we" pay that part of the total of all loss payable that is greater than the deductible. If more than one deductible applies to a loss, only the highest deductible amount will apply.

The deductible applies:

- 1) per occurrence; and
- 2) separately at each covered location.

**3. Loss To A Pair Or Set**

a. If there is a loss to a pair or set, "we" may:

- 1) replace or repair any part of the pair or set to restore the pair or set to its value just before the loss; or
- 2) pay the difference in the actual cash value of the pair or set just before the loss and the actual cash value just after the loss.

b. However, with respect to loss to a mobile or manufactured home, if there is a loss to part of a pair, set, or series of pieces or panels, "we" pay only for the reasonable cost to:

- 1) repair or replace the damaged part to match the remaining pieces or panels as nearly as possible; or

2) provide a suitable cosmetic effect or function, as warranted.

These "terms" do not serve as a guarantee that replacement pieces or panels will be available.

"We" do not pay for the value, repair, or replacement of undamaged pieces or panels.

**4. Loss To Parts**

a. If there is a loss to a part of an item that consists of several parts when it is complete, "we" pay only for the value of the lost or damaged part or the cost to repair or replace it.

b. However, with respect to loss to a mobile or manufactured home, if there is a loss to part of a pair, set, or series of pieces or panels, "we" pay only for the reasonable cost to:

- 1) repair or replace the damaged part to match the remaining pieces or panels as nearly as possible; or
- 2) provide a suitable cosmetic effect or function, as warranted.

These "terms" do not serve as a guarantee that replacement pieces or panels will be available.

"We" do not pay for the value, repair, or replacement of undamaged pieces or panels.

**5. Loss Settlement Terms**

a. "We" settle losses according to the Actual Cash Value Terms.

b. In the Actual Cash Value Terms, cost to repair or replace does not include any increased cost that results from the enforcement of a code, an ordinance, or a law.

However, if there is a covered loss to glass that is part of a building, storm door, or storm window, "we" will pay to replace the damaged glass with safety glazing material when required by a code, an ordinance, or a law.

c. **Actual Cash Value Terms**

The smallest of the following amounts is used in applying the "terms" under Our Limit:

- 1) the cost to repair or replace the lost or damaged part of the property with materials of like kind and quality, to the extent practical;
- 2) the actual cash value of the lost or damaged part of the property just before the loss; or
- 3) (applies only to mobile and manufactured homes) the difference in the actual cash value just before the loss and the actual cash value just after the loss.

6. **Insurance Under More Than One Coverage** -- If more than one coverage of this policy applies to a loss, "we" pay no more than the actual loss.

7. **Insurance Under More Than One Policy And Service Agreement**

- a. If there is other insurance that applies to a loss, cost, or expense covered by this policy, other than insurance in the name of an association or a corporation or property owners, "we" pay "our" share of the loss, cost, or expense. "Our" share is that part of the loss, cost, or expense that the "limit" of this policy bears to the total amount of insurance that applies to the loss, cost, or expense.
- b. If a loss, cost, or expense covered by this policy is also covered by insurance in the name of an association or a corporation of property owners, this insurance is:
  - 1) excess over the amount due under such other insurance, whether or not the association or corporation of property owners has collected under the other insurance; and
  - 2) primary with respect to any amount not due under such other insurance because of the application of a deductible.

c. If loss, cost, or expense covered by this policy is also covered by a service agreement, this insurance is excess over any amount recoverable under such agreement.

For the purpose of this item 7.c., a service agreement means a home warranty, a service or maintenance plan or agreement, or any other warranty, plan, or agreement that provides for the repair or replacement of property, even if it has the characteristics or qualities of insurance or is described as insurance.

---

**PAYMENT OF LOSS**

---

1. **Your Property** -- "We" adjust each loss with "you". "We" pay a covered loss within 60 days after an acceptable proof of loss is received and:

- a. "we" reach an agreement with "you";
- b. there is an entry of a final judgment; or
- c. there is a filing of an appraisal award with "us".

Payment is made to "you" unless a loss payee or some other person or entity is named in the policy or is legally entitled to receive payment.

2. **Additional Living Costs And Fair Rental Value** -- If the "described location" is made unfit for use for more than one month, loss, cost, or expense covered under Coverage D is paid on a monthly basis. "You" must give "us" proof of such loss, cost, or expense.

3. **Property Of Others** -- At "our" option, a covered loss to personal property of another may be adjusted with and paid:

- a. to "you" on behalf of the owner; or
- b. to the owner. If "we" pay the owner, "we" do not have to pay "you".

4. **Our Options** -- "We" may:

- a. pay the loss in money; or
- b. rebuild, repair, or replace the property. "We" must give "you" written notice of "our" intent to do so within 30 days after "we" receive an acceptable proof of loss.

If "we" pay the loss in money, "we" may take all or part of the damaged property at the agreed or appraised value. Property paid for or replaced by "us" becomes "ours".

---

## CONDITIONS

---

1. **Abandonment Of Property** -- "You" may not abandon property to "us" unless "we" agree.

2. **Appraisal** -- If "you" and "we" do not agree on the value of the property or the amount of the loss, either party may make a written demand for an appraisal of the loss.

If either party makes a written demand for an appraisal, each party will select a competent, impartial appraiser within 20 days of receipt of the written demand. The two appraisers will then select a competent, impartial umpire. If the two appraisers are unable to agree upon an umpire within 15 days, "you" or "we" can ask that the umpire be selected by a judge of a court of competent jurisdiction in the state in which the "described location" is located.

The appraisers then determine and state separately the value of the property and amount of the loss. If the appraisers fail to agree, they will submit only their differences to the umpire. An itemized, written agreement signed by any two of these three will determine the amount of the loss.

"You" will pay the expense of "your" appraiser and "we" will pay the expense of "our" appraiser. "You" and "we" will share equally the expense of the umpire and the other expenses of the appraisal.

Under no circumstance will an appraisal be used to interpret policy "terms", determine causation, or determine whether or not a loss is covered under this policy.

3. **Conformity With Law** -- If the "terms" of this policy conflict with an applicable law, the "terms" are amended to conform to that law.

4. **Death** -- The "terms" of this condition apply only when a "named insured" is a person.

If "you" die, "we" provide the property coverages described herein for:

a. "your" legal representative, but only:

- 1) with respect to the deceased person's property covered by this policy at the time of death; and
- 2) to the extent that coverage is provided by this policy; and

b. persons having proper, temporary custody of the deceased person's covered property, but only with respect to such property and only until such time as a legal representative is appointed and qualified.

5. **Loss Payable Clause** -- With respect to those items of personal property for which a loss payee is shown on the "declarations", that loss payee is considered to be an insured, but only with respect to those items of personal property.

If "we" cancel or do not renew this policy, "we" will so notify, in writing, any loss payees shown on the "declarations".

6. **Misrepresentation, Concealment, Or Fraud** -- "We" do not provide coverage to "you" or any other insured if, before or after a loss, "you" have, or any other insured has:

- a. willfully concealed or misrepresented a material fact or circumstance that relates to this insurance or the subject thereof; or
- b. committed fraud or sworn falsely with regard to a matter that relates to this insurance or the subject thereof.

This item 6. applies even with respect to an insured who was not involved in the concealment, misrepresentation, fraudulent conduct, or false swearing.

## 7. Mortgage Clause

- a. If a mortgagee is named on the "declarations", a loss payable under Coverage A or Coverage B will be paid to the mortgagee and "you", as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages. The word mortgagee includes trustee and secured party.
- b. If "we" deny "your" claim, that denial does not apply to a valid claim of the mortgagee if the mortgagee has:
  - 1) notified "us" of any change in ownership, occupancy, or substantial change in risk of which the mortgagee became aware;
  - 2) paid the premium due under this policy on demand if "you" neglected to pay the premium; and
  - 3) submitted a signed, sworn statement of loss within 60 days after receiving notice from "us" if "you" failed to do so.

All "terms" of this policy apply to the mortgagee unless changed by this clause.

- c. A secured party's interest is not covered for "your" conversion, embezzlement, or secretion of encumbered property in "your" possession, unless specifically insured against and a premium is paid for such coverage.
- d. If "we" cancel or do not renew this policy, "we" will notify any mortgagees named on the "declarations" at least ten days before the date cancellation or nonrenewal takes effect.
- e. If "we" pay the mortgagee for a loss and deny payment to "you", "we" are subrogated, up to the amount "we" paid for the loss, to all the rights of the mortgagee granted under the mortgage on the property. Subrogation will not impair the right of the mortgagee to

recover the full amount of the mortgagee's claim.

At "our" option, "we" may pay to the mortgagee the whole principal on the mortgage plus the accrued interest. In this event, "we" will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

8. **No Benefit To Bailee** -- Coverage under this policy will not directly or indirectly benefit those who are paid to assume custody of covered property.
9. **Policy Period** -- The property coverages described herein apply only to losses that occur during the policy period.
10. **Recoveries** -- This applies if "we" pay for a loss and lost or damaged property is recovered or payment is made by those responsible for the loss.

"You" must inform "us" or "we" must inform "you" if either recovers property or receives payment. Proper costs incurred by either party are paid first.

At "your" option, "you" may keep the recovered property. If "you" keep the recovered property, the amount of the claim paid, or a lesser amount to which "we" agree, must be returned to "us".

If the claim paid is less than the agreed loss due to a deductible or other limiting "terms", the recovery is prorated between "you" and "us" based on the interest of each in the loss.

11. **Subrogation** -- If "we" pay for a loss, "we" may require an assignment of the right of recovery up to the amount "we" pay.

In the event that "we" require such an assignment, the person or organization to whom payment was made must:

- a. sign and give to "us" all related documents; and
- b. cooperate with "us".

"You" may waive "your" right to recover, in writing and before a loss occurs, without affecting coverage.

12. **Suit Against Us** -- No suit may be brought against "us" unless:

- a. all of the "terms" of the property coverages provided by this policy have been fully complied with; and
- b. the suit is brought within two years after the date on which direct physical loss or damage occurred.

13. **Volcanic Eruption** -- All volcanic eruption that occurs within a 72-hour period constitutes a single occurrence.

---

1. Under Principal Coverages, item 3., Coverage C -- Personal Property, is deleted and replaced by the following:

3. **Coverage C -- Personal Property**

a. **Covered Property**

- 1) "We" cover personal property that is owned or used by an "insured" while such property is on the "described location" and, as limited in 3.a.2) below, while such property is off the "described location".

At "your" request, "we" cover personal property that is owned by a guest or "domestic employee" while such property is in that part of the "described location" that "you" occupy.

- 2) **Limitation On Property Off The Described Location** -- Coverage for personal property that is off the "described location" is limited to 10% of the "limit" that applies to Coverage C.

However, this item 3.a.2) does not apply to:

- a) personal property that is temporarily removed from the "described location" because the "described location" is undergoing repair due to loss caused by a peril insured against and is unfit for use as a place of residence or a place in which to store property; or
- b) personal property at "your" newly acquired principal residence for 30 days from the date that "you" first move property there.

During this 30-day period, the "limit" that applies to Coverage C will be apportioned between "your" newly acquired principal residence and the "described location" based on the proportion of the value of personal property at each location.

After 30 days from the date on which "you" first moved property from the "described location" to the newly acquired principal residence, coverage for personal property at the newly acquired principal residence is limited to 10% of the "limit" that applies to Coverage C.

The exceptions stated in 3.a.2)a) and 3.a.2)b) above do not extend coverage past the date on which this policy terminates.

- 3) **Limitations On Certain Property** -- The special "limits" shown in 3.a.3)a) through 3.a.3)g) below do not increase the "limit" that applies to Coverage C or the "limit" that applies to On-Premises Coverage or Off-Premises Coverage under the Optional Peril -- Theft, if either such coverage is provided by this policy.

The "limit" that applies to a class is the total "limit" per occurrence for all items in that class, unless a higher "limit" for a class is shown in item A. in the Schedule above.

- a) \$200 on bank notes, bullion, cards or other devices on which a cash value is stored electronically, coins, gold other than goldware and gold-plated ware, medals, money, numismatic

- b) \$1,000 on accounts, bills, deeds, evidence of debt, letters of credit, manuscripts, notes other than bank notes, passports, personal records, philatelic property, securities, stamps, and tickets. This special "limit" applies regardless of the medium on which these items exist, and includes the cost of research or other expenses necessary to reproduce, replace, or restore the item.
- c) \$1,500 on watercraft of all types, including their furnishings, equipment, engines, motors, trailers, and semitrailers.
- d) For loss to property used primarily for "business" purposes, other than property rented or held for rental to others:
- (1) \$2,500 on property while on the "described location"; and
  - (2) \$250 on property while away from the "described location".

b. **Property Not Covered** -- "We" do not cover:

1) aircraft, meaning apparatus or devices designed or used for flight. This includes parts or equipment of aircraft, whether or not attached.

However, this item 3.b.9) does not apply to:

- a) a "motorized vehicle" that is not required by law or governmental regulation to be registered for use on public roads or property and:
    - 1) that is designed to assist the handicapped; or
    - 2) that is:
      - (a) owned by an "insured"; and
      - (b) used only to service a residence; or
  - b) antennas, wires, accessories, or media that are used with electronic equipment that reproduces, receives, or transmits audio, visual, or data signals;

### 3. Coverage C – Personal Property

#### a. Covered Property

- 1) "We" cover personal property that is owned or used by an "insured" while such property is on the "described location" and, as limited in 3.a.2) below, while such property is off the "described location".

At "your" request, "we" cover personal property that is owned by a guest or "domestic employee" while such property is in that part of the "described location" that "you" occupy.

- 2) **Limitation On Property Off The Described Location** - Coverage for personal property that is off the "described location" is limited to 10% of the "limit" that applies to Coverage C.

During this 30-day period, the "limit" that applies to Coverage C will be apportioned between "your" newly acquired principal residence and the "described location" based on the proportion of the value of personal property at each location.

After 30 days from the date on which "you" first moved property from the "described location" to the newly acquired principal residence, coverage for personal property at the newly acquired principal residence is limited to 10% of the "limit" that applies to Coverage C.

The exceptions stated in 3.a.2)a) and 3.a.2)b) above do not extend coverage past the date on which this policy terminates.

#### 3) Limitations On Certain Property -

#### Loss Settlement Terms

- a. "We" settle losses according to the Functional Replacement Cost Terms. If the Functional Replacement Cost Terms do not apply, "we" settle losses according to the Actual Cash Value Terms.

- b. In the Functional Replacement Cost Terms and the Actual Cash Value Terms, replacement cost, "functional replacement cost" and cost to repair or replace do not include any increased cost that results from the enforcement of a code, an ordinance, or a law

However, if there is a covered loss to glass that is part of a building, storm door, or storm window, "we" will pay to replace the damaged glass with safety glazing material when required by a code, an ordinance, or a law.

#### Functional Replacement Cost Terms

- 1) The Functional Replacement Cost Terms apply only to buildings covered under Coverage A or Coverage B that have a permanent foundation and roof.

However, Functional Replacement Cost Terms do not apply to:

- a) outdoor antennas;
- b) appliances;
- c) awnings and canopies;
- d) carpets;
- e) tenant's improvements; and
- f) window air-conditioners;

whether or not attached to a building.

- 2) If the "limit" that applies to the damaged building at the time of loss is less than 80% of its "functional replacement cost" just before the loss, the amount used in applying the "terms" under Our Limit is that part of the cost to repair or replace the damaged part, after application of any deductible, which the "limit" on the damaged building bears to 80% of its "functional replacement cost" just before the loss.
- 3) If the "limit" that applies to the damaged building at the time of loss is at least 80% of its "functional replacement cost" just before the loss and, within 180 days of the

- damage unless "you" and "we" otherwise agree, "you" contract for the repair or replacement of the damaged building for the same use, the amount used in applying the "terms" under Our Limit is the amount actually and necessarily spent to repair or replace the damaged building on a "functional replacement cost" basis.
- 4) If the "limit" that applies to the damaged building at the time of loss is at least 80% of its "functional replacement cost" just before the loss and "you" do not make a claim under 3) above, the smaller of the following amounts is used in applying the "terms" under Our Limit:
- a) the actual cash value of the damaged part of the building just before the loss; or
  - b) the amount that it would cost to repair or replace the damaged building on a "functional replacement cost" basis.
- 5) In determining the "functional replacement cost", do not include the cost of:
- a) excavations; brick, stone, or concrete foundations; pier and footings; or other structures or features that support all or part of the building that are:
    - (1) below the undersurface of the lowest basement floor; or
    - (2) below the surface of the ground inside the foundation walls, if there is no basement; or
  - b) underground flues, pipes, wiring, or drains.
- 6) If the actual cash value of the damage is less than the "functional replacement cost":
- a) "we" will pay no more than the actual cash value of the damage until repair or replacement is completed. Once repair or replacement is completed, "we" will settle the loss as described in 2) and 3) above.
- However, when the cost to repair or replace the damage on a "functional replacement cost" basis is both less than:
- (1) \$2,500; and
  - (2) (5% of the "limit" on the damaged building;
- "we" will settle the loss as described in 2) and 3) above whether or not repair or replacement is completed.
- b) At "your" option, "you" may make a claim under the Actual Cash Value Terms instead of these Functional Replacement Cost Terms. "You" may later make a claim for any additional amount payable under these Functional Replacement Cost Terms, but only if "you" have informed "us", within 180 days after the date of loss, that "you" plan to repair or replace the damaged building.
- d. Actual Cash Value Terms**
- 1) The Actual Cash Value Terms apply to all property to which the Functional Replacement Cost Terms do not apply.
  - 2) Actual Cash Value Terms apply to "roof surfacing" when more than 50% of the "roof surfacing" is 21 years old or older.
  - 3) The smaller of the following amounts is used in applying the "terms" under Our Limit:
    - a) the cost to repair or replace the lost or damaged part of the property with materials of like kind and quality, to the extent practical; or
    - b) the actual cash value of the lost or damaged part of the property just before the loss.

## LIMITED HIDDEN WATER OR STEAM SEEPAGE OR LEAKAGE COVERAGE

(Entries required to complete the Schedule will be shown below or on the "declarations".)

### Schedule

#### Limited Hidden Water or Steam Seepage or Leakage §

**INCIDENTAL COVERAGES** is amended by adding the following additional coverage:

#### 1. Limited Hidden Water or Steam Seepage or Leakage

- 1) We will pay, up to the scheduled limit under this Limited Hidden Water or Steam Seepage or Leakage coverage, for damage to property covered under Coverage A and B on the "described location" because of deterioration, mold, fungus or wet rot, caused by the constant or repeated seepage or leakage of water or steam that is:
  - a) Accidental or unintended, and hidden and unknown;
  - b) Within the walls, floors or ceilings or underneath the floors of a structure but not below the surface of the ground; and
  - c) From within a:
    - (a) Plumbing system;
    - (b) Heating system;
    - (c) Air conditioning system;
    - (d) Automatic fire protective sprinkler system; or
    - (e) Household appliance.
- 2) This includes reasonable costs of required mitigation services. It also includes the cost to tear out and replace any part of a building, or other structure, on the "described location", but only when necessary to repair the system or appliance from which this water or steam escaped.
- 3) All damage resulting from constant or repeated seepage or leakage of water or steam from the same system or appliance shall be considered one loss.
- 4) We do not cover loss:
  - a) Caused by seepage or leakage from within a sump, sump pump or related equipment or any other system designed to remove surface or subsurface water, or a roof drain, gutter, downspout or similar fixtures or equipment;
  - b) Caused by seepage or leakage of water from a part of a system which is below a foundation; slab; footings; pad; or the like;
  - c) Caused by, consisting of, or resulting from freezing of a plumbing, heating, air conditioning or automatic fire sprinkler system or of a household appliance, to include, but not limited to, discharge, leakage or overflow from within the system

or appliance caused by freezing. This exclusion does not apply if “you” have used reasonable care to:

- i) Maintain heat in the building; or
- ii) Shut off the water supply and completely empty water from all systems, heaters, and appliances.

However, if the building is protected by an automatic fire sprinkler system than “you” must use reasonable care to continue the water supply and maintain heat in the building for coverage to apply;

- d) Caused by a stoppage of a septic system because the septic system is full;
- e) If “you” knew, suspected, or should have known of or suspected the seepage or leakage of water or steam for a period of weeks, months, or years before a claim is made;
- f) If there were visible signs of seepage or leakage that occurred over a period of weeks, months or years;
- g) To the system or appliance from which this water or steam escaped;
- h) Caused by the presence or condensation of humidity, moisture or vapor not a direct result of covered seepage or leakage;
- i) Because of mold, fungus or wet rot, unless caused by seepage or leakage to which this incidental coverage applies; or
- j) Which occurs or is in progress within the first 30 days that this endorsement is effective on “your” policy. This does not apply if this endorsement is continued as part of a renewal of a prior policy term which had this coverage.

These exclusions apply regardless of whether any insured regularly accesses the area or space in which the hidden seepage or leakage of water or steam takes place.

- 5) If one constant or repeated seepage or leakage of water or steam causes damages during the policy period and during any other policy period(s) under a policy “we” issue to “you” for the “described location”, then the maximum limit of our liability under all policy periods shall not exceed the amount of the highest applicable limit under any one policy period.

Subject to the preceding paragraph, the scheduled limit of liability shown as Limited Hidden Water or Steam Seepage or Leakage is the most we will pay for any loss to which this Additional Coverage applies and does not increase any limit of liability under **Coverage A** or **Coverage B** of the policy. The scheduled limit of liability shown as Limited Hidden Water or Steam Seepage or Leakage also includes any amount payable under **Coverage D - Additional Living Costs And Fair Rental Value** if so required from a covered loss under this endorsement. Unless a separate deductible is listed on the “declarations”, the All Other Perils deductible applies.

Coverage under this incidental coverage does not trigger, cause, or result in the application of any other **Incidental Coverages**, such as, but not limited to, any **Ordinance or Law** coverage, if provided under this policy.

- 6) Notwithstanding the provisions of **WHAT MUST BE DONE IN CASE OF LOSS**, "you" must report all losses under this incidental coverage as soon as discovered or reasonably should have been discovered.

The injured person must submit to physical exams by doctors chosen by **us** when and as often as **we** may require.

## HOW MUCH WE PAY FOR LOSS OR CLAIM

1. **Coverage L -- Liability** -- The **limit** shown on the Declarations for Coverage L is the most **we** pay for loss for each **occurrence**. This applies regardless of the number of:

- a. persons **insured** under this Personal Liability Coverage;
- b. parties who sustain injury or damage; or
- c. claims made or suits brought.

2. **Coverage M -- Medical Payments To Others** -- The **limit** shown on the Declarations per person for Coverage M is the most **we** pay for all medical expenses payable for **bodily injury** to one person as the result of one accident.

When a **limit** is shown on the Declarations per accident for Coverage M, that **limit** is the most **we** pay for any one accident.

The payment of a claim under Coverage M does not mean **we** admit **we** are liable under Coverage L.

3. **Insurance Under More Than One Coverage** -- If more than one coverage applies to a loss, **we** pay no more than the actual loss.

4. **Coverage L -- Insurance Under More Than One Policy** -- Coverage L is excess over other valid and collectible insurance that applies to the loss or claim.

If the other valid and collectible insurance is also excess, **we** pay only **our** share of the loss. **We** pay only that part of the loss that the applicable **limit** under this policy bears to the total amount of insurance covering the loss.

4. **Subrogation** -- If **we** pay for a loss, **we** may require that the **insured** assign to **us** the right of recovery up to the amount **we** pay. **We** are not liable for a loss if, after the loss, an **insured** impairs **our** right to recover against others. **You** may waive **your** right to recover, in writing, before a loss occurs, without voiding coverage.

Subrogation does not apply to Coverage M -- Medical Payments to Others or to Damage to Property of Others under the Incidental Personal Liability Coverages.
